

# Jessica Reich

## Central Middle School

### Parsippany-Troy Hills School District

---

#### Favorite Subjects:

Math, Science

#### School Clubs or Organizations:

Art Club, Italian Club, Italian Competition and Culture Day Club, Executive Board for Student Council, Ski Club

#### School Sports:

Soccer, Basketball, Softball

#### Community Clubs:

Parsippany Soccer Club, St. Ann's Youth Group

#### Favorite Hobbies or Interests:

Cooking, Helping others, Hanging out with friends and family

#### School or Community Awards:

In sixth grade, I received the Reading and Writing, Gym, and Citizenship awards.

In seventh grade, I received the Citizenship Award.

#### Community Service Project:

I helped clean out a woman's house after Hurricane Sandy down the shore. We cleaned out her house of all the rubble that was left in there after the storm. Also, we spread soil all around the yard so she could grow back some of her grass that she lost.

I also helped to organize Penny Wars at my school. Penny Wars is a fundraiser for The Leukemia and Lymphoma Society. All homerooms in the school bring in any loose change that they have just sitting around, and then we count it up and donate it to the organization.

#### Future Plans:

At this time, my career goal is to get good grades in High School and be able to get into Notre Dame. I would also like to continue my involvement with Student Council, sports and other clubs. Being part of these groups, keeps me involved not only in school life, but also in the community.
