

No K Turns

Do not make a K Turn at anytime in our driveways. It is dangerous. Please be patient. Wait and move forward with the line of cars.

Testing Dates

NJSLA

Testing begins for all grades on Monday, April 27th and finishes on Friday, May 1st. Testing will run during the morning of each day, so please do not make plans to take out your child for appointments until after 12 pm. We can not call into any classroom during the testing period.

Please make sure students are well rested, have breakfast and arrive on time to school.

8th Grade Science Test

NJSLA Science test for 8th Graders will be held on Monday, May 18th and Tuesday, May 19th. Please remember that testing will be held in the morning, so we ask that you do not schedule to pick up your child until after 12 pm for any appointments.

Genesis and the Parent Portal

Please remember that this is a great tool for parents. You can check your child's progress as often as you wish. The parent portal is where you would go to add emergency contacts or family members that have your permission to pick up your child. Also to update any phone numbers or email addresses. It is also where you should report your child absent or tardy. We have gone to an automated absence call system, so if you go to the parent portal before 8:00am to report your child absent, you will not receive the automated child safe call.

Pick up reminder

Students cannot be dismissed early after 2:30 on a full day and 12:30 on a single session day.
Thank you for your cooperation.

Cyber crimes and bullying has been increasing over the years. Central will be hosting Detective Katie Feenan of the NJ State Police to come in to talk about cybercrimes with our 6th and 7th grade students on May 8th.

Central is proud to host

Pathways to Leadership Sponsored by the Parsippany Elks

Six students from Central were able to attend a workshop at the Ocean Place Resort in Long Branch recently. The students had the opportunity to hear from motivational speakers. Topics included learning to find strength in yourself and take control of your own life, and how students have the power to influence their world in some way.

The NJ State police also spoke about internet safety.

National PTA Reflections Art Program is now taking submissions in the following categories—dance choreography, film production, literature, music composition, photography and visual arts. Students may enter in one or more categories.
