Scrapbooking Club
The Scrapbooking Club helps students create memories by combining photos, keepsakes, and journaling. Members of the club create a wonderful collection of past times arranged in a creative and unique way. Keeping a journal is just as important as taking photos. Scrapbooking is a great way to accomplish both tasks at once.

Meets the 2nd and 4th Tuesday of each month in Room 201

All the children await to see the sequel of a famous movie, released on November 22. This movie is Frozen 2. In the first movie, we all know that Elsa and Anna went on an adventure after being let out of the castle for the first time in forereeeever. But do you know what the sequel to this hit is about? So far all that we know about Frozen 2 is that Anna and Elsa go on yet ANOTHER adventure, but this time into the cursed Enchanted Forest. Elsa and her friends follow a (somewhat creepy) voice that Elsa can hear calling to her. C

Central Middle School’s 2020 play will bring back memories from Arendelle.

Q: How do I finish all of my homework with so many after school activities?

Answer: First, organize your evening. Plan and prioritize what you have to do first and what you can save for last. Then, actually execute your plan. Staying organized will allow you to finish the work faster than you can imagine. (Trust me!!!)

Q: How can I improve my grades?

Answer: In order to improve your grades you should focus more. When the teacher is talking try to listen and absorb what he or she is saying. When you pay attention in class your grades will automatically improve.
P.S. !!! Rechecking and Editing your work is important to avoid silly mistakes!!!

Q: Just for once, can school be fun?!

Answer: Yes it can!!! In order for school to be fun you need to think of the positive aspects of it. Don’t always think of the loads and loads of homework you get. Instead, think of the fun you have with your friends on the bus or during lunch. These small moments are the ones that make your day fun and interesting.

The 54th Super Bowl was on February 2, 2020. It was the NFL’s 100th season as the Kansas City Chiefs played against the San Francisco 49ers. The game was at Hard Rock Stadium in Miami, Florida. It was a kind of boring Super Bowl until the fourth quarter, but it got close and it all came down to the final five minutes. Kansas City was down by three with a little under three minutes left in the game. The Chiefs scored a touchdown and after the on-field review, it put them ahead of San Francisco 24–20, after the extra point. Patrick Mahomes of the Kansas City Chiefs is only 24, making him the youngest quarterback to win the Super Bowl MVP.

Fans also enjoyed Shakira and J-Lo and a bunch of dancers and lights as they performed during the half time show.
On the last day before winter break, the same day as the CMS pep rally, on December 20, 2019, the doors were judged. Students worked hard to create unique and creative doors. A little background on the event: It was hosted by CMS Student council. All homeroom classes decorated their doors. The teacher had to be present for us students to work on them, and we had to bring in supplies.

The first place winner was Mrs. Appel. The second place winner was Ms. Payerl. The third place winner was Mrs. Gillespie. Congrats to them. All the doors were awesome!
