

### CMS Website

Remember to check the CMS website frequently, it contains important information regarding upcoming dates, events, and links to other sites, such as athletic information and afterschool club calendar.

## Central Middle Fall Newsletter 2019

Please keep your information current and up to date in Genesis. Remember to change phone numbers and add emergency contacts or family members that have your permission to pick up your child.

Thank you for your attention!

### Pick up reminder

Students cannot be dismissed early after 2:30 on a full day and 12:00 on a single session day.

### No K Turns

**Do not make a K Turn at anytime in our driveways. It is very dangerous. Please be patient. When picking up your child after school wait and move forward with the line of cars. Students should only be entering your car from the passenger side.**

**For pick ups in the back of the school, at no time should you be waiting for your student in the parking lot while buses are still present.**

Winter sports paperwork is due by November 1st  
Information meetings will be held on October 23 right afterschool.

### Parents

Please join us on Thursday evening October 24th, at 7:30pm in the media center for a special presentation regarding the vaping epidemic. Learn more about what these products are, why they are harmful, and how to protect our youth.

**Afterschool clubs are up and running! The club calendar is located on our website under "For Parents/Students" pull down, then under the activities/clubs tab.**

### Attendance procedures!

To report a student absent, please log into the Genesis Parent Access and click on notify attendance office. Please check the student who will be absent and make note of the reason for the absence in the box provided. This is now in place instead of calling the child safe line. (If you do not have computer access, you can still call the child safe line to report the absence). Please note that if your child will be tardy, he/she will be marked absent until they arrive at school.

Starting this year, if you do not report your child absent or tardy by 8:45am, Genesis will send out an automated message to your contacts informing you that your child is marked absent. Please listen to the message as it directs you to call the school to let us know why your child is absent, so we can update our child safe/attendance file.
