

Good afternoon Central families,

As you know, the district will be moving to a full virtual schedule starting on Monday, December 14th. As we prepare for this transition, we wanted to share some important information and schedule changes with you.

Starting on Monday, December 14, we will be following the bell schedule below. Monday through Thursday there will be live Google Meets during the designated time slot. On Friday, we will be asynchronous. Similar to what our virtual Friday used to be, this will be at the direction of the teacher. Teachers will post more information and their expectations on Google Classroom. Students are expected to be online during their designated class times and will have their designated lunch periods for break and lunch while at home. These bell schedule changes will be reflected in the parent and student portal as well.

Lastly, if you have been contacted by a teacher to come and pick-up materials or books, you may do so Wednesday - Friday of this week from 12:30 - 3:30 pm. Media Center books can also be picked up or dropped off in this manner. Please use the Route 46 entrance, park in the lot and walk up to the main entrance of the school.
