Walkers

All walkers must enter and exit through the back of the building off Vail Road. No student is ever permitted to walk in the front of the building off Route 46.

Drop off and Pick Up

Students being dropped off by family members may enter through the front of the building off Rt 46 or the back of the building off Vail Road. Please drive as far forward in the traffic line as possible before stopping. When the line of vehicles stops, all students exit and walk to the sidewalk. Children may only exit on the sidewalk side. Students may not be dropped off earlier than **7:50am**, as supervision is not available. Staff members will be in the parking lots to assist with drop off and pickup procedures.

For everyone's safety

There is no K-TURN in any driveway. Please be patient and wait in the line of cars to drop-off/pick up your child.
